

### IS THIS FOR YOU?

- Strong academic track record coupled with analytical mind
- Superior interpersonal and content creation skills in English, Finnish and preferably in Swedish
- Expected graduation in 2020-2022

### WHAT WILL YOU LEARN?

- Produce client presentations and interact with their decision makers
- Utilize leading edge analytical tools and practices from Slack to S&P Capital IQ
- Take on significant responsibilities in projects
- Develop a toolkit of valuation and modelling competencies, industry analysis and presentation skills
- Interact with a leading global organization on international assignments
- Create new corporate finance analysis in capital markets, M&A and legal structuring

The position requires full-time employment for the September-December 2019 time period. For exceptional candidates, we can also offer May-August summer position, and the positions can also go to separate candidates. Due to our strong growth, full time opportunities are also under consideration for 2019 and 2020 graduates.

### WHAT SHOULD YOU DO?

Please send your application, CV and grade transcript to [ruben.moring@translinkcf.fi](mailto:ruben.moring@translinkcf.fi) and [sami.miettinen@translinkcf.fi](mailto:sami.miettinen@translinkcf.fi) by 22 February 2019. Feel free to contact either one for further information during the business hours.

## TRANSLINK CORPORATE FINANCE

Translink Corporate Finance is one of the most active global corporate finance firms in the mid-market M&A and capital raising.

In the full year 2018, Translink network advised clients in 33 M&A transactions throughout the Nordic countries.

In Finland, Translink is particularly strong in high-growth and technology (SaaS and tech-enabled services) company cross-border sell side transactions. We have trusted contacts to industrial companies, private equity and family offices.

We are currently pursuing a number of interesting growth initiatives. These include e.g.

- Translink Corporate Finance is the Certified Advisor [coaching 34 premium companies in the Federation of Finnish Enterprises growth company network in preparation of NASDAQ First North IPO](#).
- Analysis of [dual and single track exit paths for Private Equity companies in Finland](#)
- Interviewing Finnish and foreign master negotiators for the completely new revision of the best selling Finnish negotiation handbook: ["Neuvotteluvalta – Miten tulen huippuneuvottelijaksi?" \(WSOY\)](#)

Our corporate finance team is well balanced with experience and intellectual skill, and comprises of experts from many Finnish universities and business schools. We are also uniquely bilingual with several native Swedish speakers.
