## Investment Banking Analyst Internship 2023 (Spring, Summer & Autumn)

### Position

- Develop core investment banking skills such as financial modelling, company valuation, in-depth market research, value chain analysis and preparation of presentation materials
- Interact with key decision makers of industry-leading companies especially in the fields of technology and highly scalable ESG-oriented growth sectors
- Take on hands on responsibility on mostly cross-border project execution
- Work closely with an entrepreneurially-minded, dynamic and down-to-earth team

### Requirements

- Team player with strong business acumen and passion for high growth investment banking
- Three years of university studies in Finance, Economics, Industrial Engineering or other relevant field with an outstanding academic track record
- Superior interpersonal and content creation skills in English and Finnish
- Previous work experience in investment banking, private equity, management consulting or business development is considered an advantage

The position requires full-time employment for 4-6 months with a flexible start in Spring or Autumn 2023, Summer start can also be considered. To apply, please send your application, CV and grade transcript in a single PDF document to [rekry@translinkcf.fi](mailto:rekry@translinkcf.fi) by **5 September 2022**. Please, include your preferred internship period (Spring or Autumn) in the application. For more information, feel free to contact Associates **Liina-Johanna Leeve** (+358 50 380 0066) and **Tomi Mustonen** (+358 40 053 4447). We will start arranging interviews as soon as suitable candidates arise.

### Translink Corporate Finance

Translink Corporate Finance is one of the most active global investment bank boutiques in mid-market M&A with offices in 36 countries. During 2019-2021, we completed 104 successful mid-market deals across Nordics. In Finland, Translink Corporate Finance is particularly strong in technology and technology-enabled services companies and has extensive experience from complex cross-border transactions. We have trusted relationships with industrial companies, private equity funds and family offices.
